Futsal is a fast-paced, high-scoring, exciting brand of indoor soccer, which builds soccer skills like no other indoor soccer game. Each team consists of four court players and a goal keeper, plus substitutes. Futsal is the only form of indoor soccer recognized by FIFA, the worldwide governing body of soccer. One of the most rapidly growing indoor sports in the world, futsal is played by over 30 million people. We play real futsal refereed by USSF certified officials.

COACHES: Midwest Select Soccer is looking for coaches and players to form new club teams at all age ranges. Contact us if you or another coach are interested in forming a team under the Midwest Select Soccer banner.
